

# FLOWCHART FOR HOW GOVERNMENT ENSLAVES A FREE PEOPLE

JULY 4<sup>th</sup>, 1776

## THEFT STAGE

Government Steals or Kidnaps a portion of people's:  
Take your pick: Freedom, religion, property, children, family, rights, time, life, health, sanity, travel/common conveyance right, Free Association, Identity, etc.

## ASSENT STAGE:

- Replace the truth that its THEFT, with the NON truth of written government laws, regulations, policies, officials, endless forms, court decisions, etc.
- License where possible: Reduces freedom, encourages slavery mentality, raises revenue.
- Justification 1: Try first "its just consent of the governed." [Truth: Assumed Assent under unlawful actions and/or deception, fraud, propaganda, conspiracy, etc. ]
- Justification 2: Protection [Truth: Protection for government.]
- Justification 3: Equality [Truth: Goal is to make all people slaves, then all slaves equal.....but unequal to government.]
- Justification 4: Jobs/Economy [Truth: Communism, Fascism, Socialism—all are antithesis of competition.]
- Justification 5: Government Need [Truth: NON existent. Fabrication of alleged need for fulfillment purposes.]

Try Pacifying Act: Court Chastisement Distraction, Useless Regulation to be defeated Later, Distract with Sex Scandal or voting, offer another candidate.

## CONSENT STAGE:

- Government assumes consent has replaced assent.[ If the people accept, it has. But the acceptance was based upon a fraud and now a deception.]
- The NON truth in the ASSENT stage becomes CUSTOM and thus becomes a FORM of fabricated-truth for the individual. [e.g. millions "consent" that its "truthful" for them to have a legal duty to file a tax return and thus customarily do so--and ironically chastise/convict those who truthfully do otherwise.]
- Government reinforces with propaganda to insure custom replaces truth: Enslave further by continually telling them they are free with government as only choice.
- Government assumes people's acquiescence to the government theft is ACCEPTANCE for more theft.
- IF REPEATED, RESULTS IN EVENTUALLY SLAVERY AND REPLACEMENT...IN TIME...OF ALL GOVERNMENT [Self-defeating to all government in time]
